DETAILED ACTION

The rejection under section 103 is withdrawn since Pereia fails to teach or suggest the compounds of the instant claims.

The rejection under section 112, second paragraph is maintained below:

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 12 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Applicant has amended the specification to correct the structure of Octyldodecyl PPG-3 Myristyl Ether Dilinoleate:

However, on page 7, PPG-3 myristyl ether has the structure:

In this regard, the PPG-3 myristyl ether component of Octyldodecyl PPG-3 Mvristyl Ether Dilinoleate does not correspond. See extra methylene group (penultimate methylene group).

Moreover, the amended structure of Octyldodecyl PPG-3 Mvristyl Ether Dilinoleate does not correspond with the structural formula of claim 1. Specifically, R_1 of claim 1 has the structure:

and the group

is in the wrong orientation, and R_1 contains an extra oxygen (next to R_4), as compared to the structure of Octyldodecyl PPG-3 Mvristyl Ether Dilinoleate.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not

mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
